If any of your information has changed since last year, please include a note.

The **First Annual Turkey Burn 5K Run** held on November, 29th was a big hit with all who attended. Race directors, **Chuck Parsons** and **Andy Furbee** did an excellent job preparing the racecourse (Temporarily on loan from Gerry Kilbride!) and organizing the post-race party and awards. There were plenty of delicious home made cookies (compliments of **Diana Parsons**) for everyone and more than enough fruit and beer to go around. Each participant received a unique and useful stocking cap with the Turkey Burn logo embroidered on it.

Overall, it was a great race. Chuck and Andy plan to make it an annual event on our local race calendar. I'm sure everyone who participated plans to make it a tradition.

The only negative aspect of the event was that there was too much beer left over! Maybe next year Phil Newberry can get the day off of work to help Dan Weber put a bigger dent in the keg! Marcia Lonergan
