More Favorite Races ...

Dan Bullock: **The Kilbride Family Classic 5k** for the setting and the course. **The Jingle Bell Run** for the best post-race food (grinders, pizza, soup, and cookies). **The Boxtrot 5k** for the best race that no longer exists (a pancake breakfast after the race and photographs sent out to each runner). **The Herscher Hare & Tortoise 5k** for the strangest handout. (A crying towel? What's with that?!) **The Herscher Hare & Tortoise 5k** and **the Friendship Festival 5k** for the hottest races.

Larry Forbes: **The Bix** in Davenport, Iowa — a challenging course, great music, lots of fans, and a good post-race party.
